

EAIA Regional Meeting at The Sones Farm and Home Museum, Muncy, PA

Saturday, October 1, 2011.

More details will be available in the July Shavings.

Members of M-WTCA, CRAFTS and PATINA are all invited.

Mark your calendar for the Pennsylvania EAIA regional meeting on October 1 at The Sones Farm and Home Museum in Muncy about 15 miles from Williamsport and 2 miles from the largest Grizzly showroom in the country.

The museum is set in a picturesque 1868, hand hewed timer bank barn and has two floors of displays. The lower floor has an operating corn sheller, pea huller, milk and butter equipment, water wheel and a horse treadmill threshing machine. Railroad memorabilia, logging equipment and lots of home and farm tools are displayed.

Upstairs is a veterinary clinic, general store, antique furnishings, recreation items and memorabilia from local businesses.

For more information visit www.sonesfarmmuseum.com. Full detail for this meeting will be posted in the July issue of Shavings and on the EAIA Web site.
